Privacy Act

An important message in relation to the introduction of the new Privacy Act

The Privacy Amendment (Private Sector) Act 2000 has brought about changes to the Privacy Act 1988, which became effective on 21st December 2001.

Without your personal information, such as your name, address and other essential details, it is not possible for the Association to conduct its business and accordingly, we will not be able to provide you with the full range of our benefits and services on offer.

The Association may need to disclose your personal information in a variety of circumstances. Some examples of the various parties outside the Association to whom we may disclose or exchange your personal information may include:

* Other providers of membership services as is necessary from time to time.

For the Association to withhold, disclose or exchange your personal information we require your written consent. Please sign below to authorise.

I hereby authorise the Master Painters Australia – NSW Association to withhold, disclose or exchange information for the sole purpose of providing member services.

Code of Ethics

(Adopted as the code which applies to all members of all State Association comprising the Federation of Master Painters and signwriters of Australia – Federal Conference, Adelaide, April 1992)

Obligation of the Painting Contractor

To provide a service to our industry to the fullest extent. To protect, decorate and preserve with means and materials of the most progressive and efficient type.

Obligation to the client

To conduct our business according to the highest professional standards. To faithfully carry out all contracts. Endeavour to continually educate and develop themselves professionally in areas of our trade and business practices. To carry out all work in a manner fully compliant with all statutory obligation. To present a favorable image of our industry to the public.

Obligation to our Fellow Association Members

To encourage the free exchange of knowledge and ideas. To meet with fellow members and associates and promote all aspects of our industry and this code.

Obligation to our employees and contractors

To provide opportunities for training, career advancement and economic security in a progressive manner to all those who would apply themselves.

Obligation to our Association

To promote and support the Association objectives. To establish and maintain the highest level of respect and goodwill with all segments of the industry and association. To avoid any action which will bring discredit to our Association.

Members acting contrary to the code of ethics would be asked to show just cause as to why they should be allowed to remain a member

Has agreed to abide by the code of Ethics:
